Re: Consumer Assistance Program Grants
6 CAPCA110014-01-01

Dear Ms. Feagins:

On October 15, 2010, the Department of Health and Human Services awarded the Wisconsin Office of the Commissioner of Insurance (OCI) \$637,114 to establish a Wisconsin Consumer Assistance Program (WI CAP). The application for this grant award was submitted under the direction of the previous Commissioner. Upon thorough review of the WI CAP, I hereby request termination of grant number 6 CAPCA110014-01-01, effective March 15, 2011.

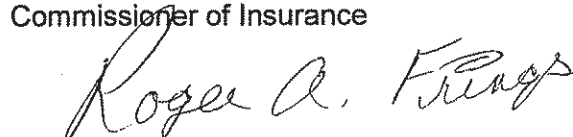

Chief among the reasons for the termination of the WI CAP is that OCI is experiencing an approximate 19% decrease in the number of health insurance coverage complaints than previously received. At the same time, we have noticed an increase in utilization of web-based tools and support staff available within both the US Department of Labor and the US Department of Health and Human Services. These improvements dove-tail well with changes implemented at the state level including information available through the Wisconsin Department of Health Services.

In accordance with the process for termination, the OCI will submit a final CAP Progress Report and Financial Status Report (SF 425) as soon as possible following March 15, 2011.

Sincerely,

Theodore K. Nickel
Commissioner of Insurance
